Own a piece of Texas History. The Historic Santa Fe Depot rich in History. Approximately 4,692 square feet of space with attached living quarters. This was the venue for traveling to and from the area before and shortly after WWII. Many modern amenities such as a commercial grade kitchen and Central Heat and Air have been added. The outside area features approximately 19,000 square feet of parking; all surrounded by decorative iron fencing. This must be seen to appreciate an elegance from the past that is no longer in existence today.
