There is approximately 70 acres in coastal fields, and the remaining acreage is in native pasture with some open grass land and some heavily wooded areas. There are two houses on the property. The first is a double wide mobile home located on the east 30 acres of the property. This home could be moved off prior to closing if the buyer did not want the home to stay on the property. There is a horse barn located near the house that has inside stalls, and insulated storage loft upstairs. The second house fronts on Central Rd and is located on approximately 24 acres.
